Other category: Money Psychology

PRESENTATION DESCRIPTION:

What are women's experiences with money amidst the Great Recession? This question is explored in public homeplaces assembled so a woman can discern who she is in relationship with money and the other – be it an intrapsychic or interpersonal other. A short video and discussion explores The Feminine Face of Money Wisdom Council initiative where women craft supportive relationships of understanding through dialogue with their money stories, and each other, so to shift their economic circumstances.

PRESENTER'S BIOGRAPHY:

The Feminine Face of Money®, founded by Dianne Juhl, M.A., offers practical tools for women to dissolve emotional roadblocks and attain their life's dream or to navigate life's transitions and thrive. A unique holistic approach integrates "mind, body, spirit, and creativity." Programs include private consultations, interactive workshops, and in-depth seminars.
